DREDGING INNOVATION 2023

HALF DAY SEMINAR AND CHRISTMAS DRINKS RECEPTION – FREE EVENT

Thursday 7th December 2023 at 14.00hrs

THE INSTITUTE FOR CIVIL ENGINEERS, ONE GREAT GEORGE STREET, WESTMINSTER
The event will also be streamed live online.

COURTESY OF HARWICH HAVEN AUTHORITY

This seminar presents a selection of dredging projects from around the UK bringing news of the latest practical applications of re-use of dredged material as well as innovative developments and use of a new dredging technique.

The presentations provide a practical insight to the projects. Challenges faced and lessons learned will be explored as well as looking to the future in terms of developing/progressing/continuing these applications on other projects.

Speakers are attending from Harwich Haven Authority, Van Oord and Land & Water.
