A REVIEW AND FORWARD LOOK**

**at the

2016 has been an 'exciting' and uncertain year for the UK! For our December Technical Seminar, the CEDA UK Committee will bring together those involved in all aspects of dredging and marine development to share the highlights from 2016 and to consider what 2017 may hold.

This is a CEDA member event that is open to non-members **for a fee.**

The fee includes a 1 year complementary membership of CEDA UK.

The seminar will be followed by a Christmas drinks reception – a great opportunity to network with fellow maritime professionals.
