21 March 2017

## **Invitation to experts for expressions of interest to participate in the new CEDA Working Group on Seafloor Integrity (WGSi)**

The Environment Commission of CEDA is to establish a new Working Group called the CEDA Working Group on Seafloor Integrity (WGSi) and they are seeking suitable experts to join in.

For your information, the Terms of Reference for the Working Group is available [here](#).

Interested CEDA members are kindly requested to notify Anna Csiti, at the CEDA Secretariat, ([csiti@dredging.org](mailto:csiti@dredging.org)), **by 24 April 2017**. Please provide a brief curriculum vitae along with a brief description of relevant experience.

[Please note: the costs incurred in taking part in the Working Group will have to be borne by the participating Member's company/organisation, and this should be taken into consideration when expressing an interest.]

Appointment to the Working Group will be confirmed by 28 April 2017 the latest.

The newly formed Working Group will have their first meeting on **18 May 2017 in Antwerp, Belgium, at the Ministry of Flemish Community, Division Maritime Access**, at which point the Draft Terms of Reference will be finalised and a Work Plan will be developed.

Best regards,

Anna Csiti  
General Manager CEDA
