Synopsis

Young CEDA invite you to join an interesting and insightful set of presentations to learn about dredging and reclamation works. These three presentations provided by leading organisations in the industry will describe the work of the regulators, the contractors and the consultants in this discipline.

Who

This is a free seminar open to anyone interested in learning more about the dredging industry. As young CEDA we particularly encourage people with an interest in marine engineering and maritime works.

Tea and refreshments will be available from 17:30 in the Atrium to allow an opportunity to network with others at this event.

Evening Agenda

Speaker	Organisation	Topic
Networking in the Atrium for Tea and Sandwiches from 17:30		
James Spragg	Young CEDA	Welcome and Introduction
Matthew Kinmond	Marine Management Organisation	The Marine Management Organisation and Marine Licensing
Gert Jan Peters	Boskalis Westminster Ltd.	Dredging and Reclamation works
Mark Lee	HR Wallingford	Survey and Monitoring works in the dredging industry

No need to book a place, just let us know you're coming.
